More than 4,000 individuals donate to United Way to support its mission to lead, unite and inspire our community to improve lives.

United Way of Porter County helps citizens of all ages, addressing needs related to financial stability, education and health.

As a support pillar for safety net services, United Way supported 57 emergency, disaster and basic needs programs in 2017-18 that helped members of your community find food, pay utilities, manage money, get medicines, keep or find housing, fight addiction and much more.

In the 2017-2018 year, United Way of Porter County provided more than $2.3 million in community support and resources to improve lives of area residents. Here are some examples:

- Preparing 1,064 young children to succeed in kindergarten
- Meeting the physical health or disability support needs of 6,932 people
- Addressing mental health and drug addiction for 1,686 people
- Providing shelter, food and safety for 10,660 people in crisis
- Providing financial stability services to 2,822 people
- Mentoring 24,069 youth to be community leaders
- Supporting volunteer and nonprofit capacity-building to impact 50,434 people
“My daughter struggles with attention and socializing. Her first two days were difficult for her. But by day 3 she was paying more attention, listening to her teacher, and coming home talking about her friends that she made. There was a huge improvement for her between the start of Kinder Camp and her last day. I’m very thankful she had the opportunity to participate in this!”

– Kinder Camp Parent
The United Way of Porter County is a leader and advocate for health, education and financial stability. Together with more than 200 community partners, 4,000 donors and 8,000 volunteers, we are uplifting lives across Porter County and Northwest Indiana.
