

The *Prosperity Now Scorecard* equips advocates, policymakers, practitioners and others with data on how residents in states, counties and cities are faring when it comes to their financial health and whether opportunities to prosper are equitable. These data jump-start a conversation about solutions and policies to put all households on stronger financial footing.

ABOUT PROSPERITY NOW

Prosperity Now (formerly CFED) believes that everyone deserves a chance to prosper. Since 1979, we have helped make it possible for millions of people, especially people of color and those of limited incomes, to achieve financial security, stability and, ultimately, prosperity. We offer a unique combination of scalable practical solutions, in-depth research and proven policy solutions, all aimed at building wealth for those who need it most.
